May 2023 Lakehurst West Honker

A Newsletter for the Lakehurst West Neighborhood Association

National Night Out (NNO) a success "Rain or Shine"!

Despite a little rain, NNO went off with out a hitch. We had many Jefferson County Sheriff's and Animal Control show up. We had pizza and rock painting and had a great time. The JCSO was impressed that at our resolve and appreciated our support to make their event a success. We look forward to seeing you again next year!

Lakehurst Park Update:

Here is an update from Foothills Parks and Rec about the park improvements to Lakehurst Park...

As of right now our designs have progressed to a permitting level and have been submitted to Jefferson County for a grading permit. You may see yellow signs posted in the park as a part of this process. We are hoping to have approved permits in late fall or early winter. Once plans are approved, we will solicit bids for construction. Bidders will be asked to submit proposed schedules with their bids. Our projected completion is in 2024 with more specific dates to be determined. Please visit our website for more information on this project.

Neighborhood Spotlight:

This Newsletter we wanted to spotlight all the people in our community helping to clean, weed, and mow around the neighborhood in order to help keep our public and community places looking beautiful. With out our neighbors helping keep our neighborhood clean, we would not have the same appreciation for the beautiful neighborhood we live in.

Shout Out to:

- Ric Yancey for mowing the field and trail around the open space by Harriman
- The Neighbors off Marlow who have been mowing behind the fences along the road

- The Lady who was pulling weeds off by the entrance sign.
- The person who pulled weeds in the old park

Little Libraries:

We also wanted to spotlight the neighbors who have little libraries in their yard. This movement is about improving our communities access to books and education. These neighbors have put up small library's in their yard, with the idea of "Take a book, Leave a book". Please say thanks to these great neighbors who are helping to improve our community through their initiative and grab a book while your are there!
