Second Saturday: Summer Concert Series and Movie

We are excited to announce that with the completion of the improvements to Lakehurst Park, we are ready to bring the "summer concert" with a major upgrade. On the second Saturday of month (June 14th, July 12th, August 9th, and September 13th), we will be partnering with Galvanized Music Studio's (a neighborhood music producer) to provide live music from 5-8pm in Lakehurst Park. After that we will be doing a movie from 8-10pm. There will be different food trucks at each event and Kona Ice (snow cones) at every event. Please join us to support the 1st Annual Summer Concert Series, its sure to become a summertime tradition for our neighborhood for years to come. This is a family friendly community event, so bring your friends and family and enjoy our amazing community and park!

A Common Question we get is "What is going to happen with Peiffer Elementary School?" To keep up to date see our Blog post.

UPDATE: Peiffer Elementary School has been deemed "Surplus" By Jefferson County Schools. This means that they will begin discussion on what to do with the school. Below are links to the article about this and information and link to where you can sign up for a newsletter to keep up to date. LWNA is keeping a close eye on this and has reached out to community partners to schedule meetings to discuss the option of turning the school into a "Community Center". We will continue to update as the conversation progress. Please sign up for the newsletter to keep up to date. We will also have a "Letter Template" on the website so that you can write our Jefferson County Representatives to let them know you are watching and aware of the issue.

Neighborhood Spotlight:

Lakehurst Park:

With the completion of the park improvement project, we are proud to welcome the remodeled Lakehurst Park back to full action this year. We are blessed to be able to live in such a beautiful place and a big part of that is Lakehurst Park and Herriman Lake. We are excited to utilize this location as a way for our community to connect and unite around this "commons" for our neighborhood. We are constantly engaging with foothills about the park and different opportunities. If you interested in more information, please reach out and we would love to hear how we can improve our relationship with this amazing place in our neighborhood.
